Sustainability and LEED

Halo receptacles have a recycled material content of 99% of which 87% is post consumer content. This content may vary based on the product design, product material type, and interchangeable piece parts. All styles are 100% recyclable. For more information about SiteScapes sustainable products and policies, please refer to our Environmental Statement.

Choices

Choose 40 gallon, 36 gallon, or 32 gallon capacity; top opening, side door with latch or side door with lock; flat, dome, ash or enclosed top; powdercoat or Duracoat finish; and color.
