Sustainability and LEED

Wynne tables have a minimum recycled material content of 84% of which 73% is post consumer content. This content may vary based on the product design, product material type, and interchangeable piece parts. All styles are 100% recyclable. For more information about SiteScapes sustainable products and policies, please refer to our environmental statement.

Standard Plastic Colors available: Cherry Wood, Cedar, Weathered Wood, Sand, Woodland Green, Black, Slate Gray, Light Gray, and White.

Premiere Plastic Colors available: Brown, Redwood, Rust Brown, and Light Oak.

Colors shown are only a representation of standard colors offered and should not be used as a substitute for manufacturer provided color samples.

Finishes

SiteScapes offers product in both a standard powdercoat and its own proprietary Duracoat finish. Both finishes are designed to weather the elements and are guaranteed not to rust, chip, peel, or fade. Call for a standard color chart.
