Avondale Wood Slat Receptacles

Avondale Receptacles

The Avondale receptacles are durable trash containers with style. Made of wood or recycled plastic. The recycled plastic Avondale receptacle is constructed of sturdy 2" x 4" recycled plastic slats with steel interior framework. Avondale receptacles will promote a green, litter free environment. A spun all steel lid provides added durability and stability. Lids are available in flat, domed top, ash top, or fully enclosed top options. Every receptacle comes with a 32 gallon rigid plastic liner with handles.

Materials

2" x 4" Recycled Plastic or Wood Slats
 Interior Support Ring - 7Ga. Steel
 Mounting Plates - 1/4" x 1/ 1/2" Stainless Steel
 Lid - 24" o.d. Spun Steel Lid
 Liner - High Density Polyethylene

Sustainability and LEED

Avondale steel frame products have a greycled material content of 99% of which 87% is post consumer content. This content may vary based on the product design, product material type, and interchangeable parts. In addition, all recycled lumber utilized on these products is derived from High Polyethylene (HDPE) and maintains at least 60% post consumer content. For more information about SiteScapes sustainable products and policies, please refer to our Environmental Statement.

Choices

Choose surface, surface-pedestal or embedded pedestal mount; flat, dome, ash, or enclosed top; powdercoat or Duracoat finish; and color.

Finishes

SiteScapes offers product in both a standard powdercoat and its own proprietary Duarcoat finish. Both finishes are designed to weather the elements and are guaranteed not to rust, chip, peel, or fade. Call for a standard color chart.
