## Bike Post Bollard Style Bike Parking

### Bike Posts

These bollard style bike posts can serve multiple functions.

### Materials

- Offered in 4inch O.D.
- Various loop configurations available
- Flange mount covers available at additional cost

### Sustainability and LEED

Bike post bollards have a minimum recycled material content of 84% of which 73% is post consumer content. This content may vary based on the product design, product material type, and interchangeable piece parts. All styles are 100% recyclable. For more information about SiteScapes sustainable products and policies, please refer to our environmental statement.

### Choices

Choose one, two, three or zero loops; embedded or surface mount; powder-coat, Duracoat, galvanized.
