## CityView Vertical Strap Planters

### CityView Planters

Planters provide color and life to otherwise inorganic settings. Twenty-two gallon liners provide potting volume suitable for a large variety of plantings.

### Materials

5/16" straps for maximum durability

### Sustainability and LEED

CityView planters have a recycled material content of 99% of which 87% is post consumer content. This content may vary based on the product design, product material type, and interchangeable piece parts. All styles are 100% recyclable. For more information about SiteScapes sustainable products and policies, please refer to our Environmental Statement.

### Finishes

SiteScapes offers product in both a standard powdercoat and its own proprietary Duarcoat finish. Both finishes are designed to weather the elements and are guaranteed not to rust, chip, peel, or fade. Call for a standard color chart.
