QuarryView Stone Veneer Planters

QuarryView Planters

QuarryView planters feature awesome stone veneer pedestals bases and plenty of potting volume for all your planting needs. Each pedestal consists of four separate panels using hand laid courses of thin veneer which are bonded to a powder coated light weight steel frame. Panels are easily assembled by hand and do not require any tools. QuarryView Stonework is perfect for natural settings and pairs great with planter beds and foliage.

Side panels (2) weigh 50 lbs. each. End panels (2) weigh 38 lbs. each. One-piece cast stone top weighs 65 lbs. Planter has 4 adjustable leveling mounts at the frame's base.
