Smoking Post Bollard Style Ash Urns

Smoking Post Bollards

Smoking Post Bollards give your designated smoking areas a clean, professional look. Bollards are fashioned to keep entrances or smoking areas clean and litter-free while using an unobtrusive design that will fit into the scheme of your aesthetic. Bollards are functional, stylish and easily emptied.

Details

- Offered in 4inch o.d.
- Flange mount covers available at additional cost

Sustainability and LEED

Smoking Post Bollard ash urns have a minimum recycled material content of 84% of which 73% is post consumer content. This content may vary based on the product design, product material type, and interchangeable piece parts. All styles are 100% recyclable. For more information about SiteScapes sustainable products and policies, please refer to our environmental statement.
