TallGrass TallGrass Pattern Receptacles

TallGrass Receptacles

TallGrass receptacles display the beautiful rolling prairie pattern associated with the collection. Receptacles are offered in a compact 20 gallon or a spacious 36 gallon capacity. Receptacles are shipped with a rigid plastic liner.

Materials

- 7 Gauge Steel Shell
- Removable Dome Lid
- 20 or 36 gallon rigid plastic liner

Sustainability and LEED

TallGrass receptacles have a recycled material content of 84% of which 73% is post consumer content. This content may vary based on the product design, product material type, and interchangeable piece parts. All styles are 100% recyclable. For more information about SiteScapes sustainable products and policies, please refer to our Environmental Statement.

Choices

Choose 20 gallon or 36 gallon capacity; flat top, dome top or ash top; stainless, powdercoat or Duracoat finish; and color.
