Terra Firma
Starburst Pattern Tree Grates

TerraFirma Tree Grates
These ADA approved cast iron tree grates allow for trees to co-exist with pedestrians in a variety of settings. TerraFirma grates have a starburst pattern and are available in a multitude of sizes and three different shapes. A powder coat finish is available, or this product can be left uncoated for a natural weathered appearance.

Tree Grate Frame
Steel angle frames used to position and mount the tree grate are available.

Materials
Tree Grate – 3/4" cast iron grate
Frame - 1/4" steel angle
Tree Grates are available in a starburst pattern.

Logos and Lettering
The TerraFirma tree grates can have custom lettering and logos inserted at an additional cost.

Sustainability and LEED
All tree grate base materials are 100% post-consumer materials. These materials are derived from the melting of shredded auto bodies, scrap steel, used engine blocks etc. No pig iron is utilized in this production process. For more information about SiteScapes sustainable products and policies, please refer to our Environmental Statement.

Finishes
SiteScapes offers product in both a standard powdercoat and its own proprietary Duarcoat finish.   Both finishes are designed to weather the elements and are guaranteed not to rust, chip, peel, or fade. Call for a standard color chart.
