WestPort Horizontal Strap Receptacles

WestPort Receptacles

Surrounded by a durable 1" solid square bar framework this receptacle coordinates with the rest of the WestPort collection by making use of the horizontal steel straps. With a side entry door, this receptacle allows for easy litter removal while containing a keyed lock for security. Each receptacle comes with a 36 gallon rigid plastic liner and the option of flat lid, domed lid or domed lid with ash tray inlay.

Materials

Horizontal straps - 1/4" x 1" steel flat bar
 Support Strap - 5/16" x 3/4" steel flat bar
 Top Support - 1" dia. schedule 40 steel tubing
 Bottom Support Bars - 5/16" x 3/4" steel flat bar
 Side Supports Bars - 1" sq. steel flat bar
 Lid - .083 wall steel lid
 Surface Mount Plates - 5/16" x 1 1/2" steel plate
 Liner - High Density Polyethylene liner with handles

Sustainability and LEED

WestPort receptacles have a recycled material content of 99% of which 87% is post consumer content. This content may vary based on the product design, product material type, and interchangeable piece parts. All styles are 100% recyclable. For more information about SiteScapes sustainable products and policies, please refer to our Environmental Statement.

Choices

Choose top opening or side door with lock; flat, dome or ash top; powdercoat or Duracoat finish; and color.

Finishes

SiteScapes offers product in both a standard powdercoat and its own proprietary Duracoat finish. Both finishes are designed to weather the elements and are guaranteed not to rust, chip, peel, or fade. Call for a standard color chart.
